Note:

- 1 In your Champ's workbook, you will see some of the activities done in class, the title of the enrichment story book read in class (so you can build up a home library of carefully selected quality children's literature) and the song and/or rhyme that was learned in class.
- 2 We strongly encourage parents to dedicate daily story time with your little Champ to provide them with an environment that reinforces what they have learned, to nurture their thinking skills by asking them meaningful questions and to develop a habit of daily reading. This daily story time need only be between 20-30 minutes.
